Product Conversion – Effective Immediately
Professional VANI-SOL® High Acid Toilet Bowl Cleaner 36241-02212
To Professional LYSOL® Power Toilet Bowl Cleaner 36241-74278

December 2015

Dear Valued Customer:

Effective immediately, RB Professional has transitioned out of the **Professional VANI-SOL® High Acid Toilet Bowl Cleaner (RB item 36241-02212).** This item number is no longer available and will not be available in the future.

The recommended replacement product is the **Professional LYSOL® Power Toilet Bowl Cleaner (RB item 36241-74278).**

Both products are powerful cleaners, proven to effectively remove limescale, mineral, and rust deposits. Similarly, both products are NSF listed under category C2 and are sold as 32 oz angle neck bottles, 12 per case.

Professional LYSOL® Power Toilet Bowl Cleaner has the additional benefit that it is EPA registered and proven to kill 99.9% of viruses and bacteria, including Staphylococcus aureus, Salmonella enterica, Pseudomonas aeruginosa, Escherichia coli, Rotavirus WA, Enterococcus faecalis, and Human Immunodeficiency Virus Type 1.

RB item: **36241-02212** → **36241-74278**

Distributors and end-users will need to re-order RB item 36241-74278 to effectively transition to this great replacement product. Please reach out to your sales account manager or call our Customer Care department at 1-800-560-6619 if you have any questions.

Best regards,

The RB Professional Team
